New titles for  
CSEC® & CAPE®

## Welcome to your **Caribbean 2010** catalogue from Cambridge.

Cambridge University Press is a leading educational publisher for the Caribbean, publishing high-quality, curriculum-based books and software.

We provide expertise and specialist support by working with key authors and educational organisations who have extensive knowledge and experience of qualifications and curriculum developments. Our materials are fully trialed before publication to ensure they meet schools' needs and the highest standards of design and production. A team of specialist agents provides customer care and support to these schools.

## CAMBRIDGE UNIVERSITY PRESS

Cambridge University Press advances learning, knowledge and research worldwide.

### We set the standard for:

- meeting our customers' needs
- the quality and validation of content
- design, production and printing
- cooperation with authors

### We value:

- integrity and rigour
- creativity and innovation
- trust and collaboration

## Our English

### An integrated course for the Caribbean

Lydia Kellas, Peter Lucantoni, Dian Morgan, Angela Lalla,  
John Bleau, Jo Kent, Peter Roberts

*Our English* is a series of four textbooks that provides a steady and thorough progression towards the CSEC® English examination. The series covers specific language skills such as spelling, listening, grammar, discussion, research and literary appreciation (with Caribbean texts and international sources).

The books also include fun activities with quizzes, interesting facts and word searches.

- Review units with additional exercises provide ample opportunities for revision and progress testing.
- Each Student's Book includes an Audio CD that provides audio recordings of the Listening texts in the programme.
- The Teacher's Resource CD-ROM provides guidance and practical support for teachers whose students use the textbook.

SUITABLE FOR CAPE®

## Roots of Caribbean Identity

Language, Race and Ecology

Student's Book with Audio CD

978-0-521-72745-7 GBP 15.75

WINNER OF THE GORDON K.  
AND SYBIL LEWIS BOOK AWARD

**Peter A. Roberts**

This book is original in its conception, perspective and treatment of the languages and identities of the West Indies as a whole.

- The book is illustrated and has as its central elements race, place and language which are seen as basic starting points for the constitution of identity.
- Makes extensive use of a huge range of multiple and multilingual historical sources to let the voices of the past speak for themselves.
- Presents a lucid account of a movement from a written, wholly European construction of Caribbean identity towards a more Caribbean one.

SUITABLE FOR CAPE®

## West Indians & Their Language

Second Edition

For CAPE® Caribbean Studies and  
CAPE® Communication Studies

Paperback

978-0-521-69698-2 GBP 15.75

**Peter A. Roberts**

This second edition updates the text of the first and includes some additions while preserving the tone and style that has appealed to many readers during the life of the book. The book concentrates on the following topics:

- the varieties of language to be found in everyday West Indian society and information about the historical sources of West Indian English
- the difficulties of representing a predominantly oral culture in writing and the orthography used to represent spoken language
- various features of technology adopted by West Indians in methods of communication and a new section on language and the supernatural.

# English

## English Grammar in Use

Third Edition

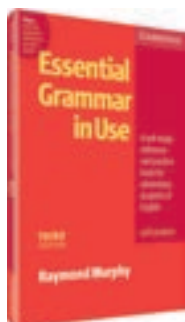

A fully updated version of the classic grammar title now in full colour with new units, even more practice exercises and an exciting and comprehensive CD-ROM. It retains all the key features of accessibility and is available both with and without answers. The CD-ROM offers a wealth of extra practice material covering all the language in the book.

## Advanced Grammar in Use

Second Edition

A fully updated edition of the highly successful grammar title focusing on the complexities of grammatical choices important for an advanced understanding of English. This new edition contains 100 units of grammar reference and practice materials, including seven completely new units. Also includes exercises, appendices and coverage more specifically aimed at the advanced learner.

## Essential Grammar in Use

Third Edition

A fully updated version now in full colour with new content and additional practice exercises. It retains all the key features of accessibility and the book is available both with and without answers, making it ideal for use in the classroom or for self-study. The CD-ROM offers hundreds of interactive exercises and games, providing further practice for every unit.

SUITABLE FOR CAPE®

## Cambridge Contexts in Literature

**Series Editor: Adrian Barlow**

A series offering critical introductions to a range of literary topics and genres. Each volume has been carefully planned to help students evaluate the influence of literary, cultural and historical contexts on both writers and readers. The series provides:

- the background for placing texts within their literary, cultural and historical contexts
- opportunities to explore and evaluate different interpretations of literature
- a variety of approaches to active, imaginative and comparative study of texts and contexts
- ideas on how to write about the authors and their work in context
- assignments and key focus questions
- further reading lists, chronologies and glossaries of critical terms.

# Shakespeare

SUITABLE FOR CSEC® AND CAPE®

## Student Guides to Shakespeare

For revision and essay writing

These guides help students to evaluate the historical, social and cultural contexts for a broader understanding of Shakespeare's plays.

Each guide helps students to look at the play from a number of viewpoints by highlighting key themes, different contexts and critical interpretations. Students are supported to express independent opinions and make informed judgements for exams, essays and coursework assignments.

- The guides have been researched and written by a team of experienced Shakespeare teachers.
- Provides specific support on individual plays.
- Can be used alongside the relevant play from the *Cambridge School Shakespeare* series or any other edition of Shakespeare.

## Our Science

### An integrated course for Trinidad and Tobago

Tony Seddon, Shameem Narine, Jerome Ramdahin, David Bainton,  
Angela Lalla

*Our Science* is an integrated science course written specifically for use in secondary schools in Trinidad and Tobago. The books cover the main topics for the lower secondary syllabus at each of the three levels.

The *Our Science* books provide:

- up-to-date scientific information with many local illustrations from Trinidad and Tobago
- an emphasis on the practical aspects of science
- investigations and activities, all designed to encourage students to learn by experimenting
- 'did you know?' sections to stimulate students' interest
- full-colour illustrations throughout to motivate students
- a glossary to help students to learn key scientific terms.

## **NEW!** Biology for CSEC®

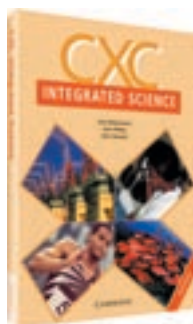

4th Edition

Louis Chinnery, Joyce Glasgow, Mary Jones, Geoff Jones

Comprehensively covering the CSEC® syllabus requirements, this full-colour edition contains carefully controlled language to make the text accessible for a wide ability range. *Biology for CSEC®* includes questions throughout to test understanding in progressive steps and reinforces new knowledge and concepts through revision questions at the end of each chapter. This edition also incorporates many investigations throughout the text, almost all of which could be used for the assessment of practical skills.

**Paperback**

978-0-521-70114-3 GBP 12.25

## **Integrated Science for CSEC®**

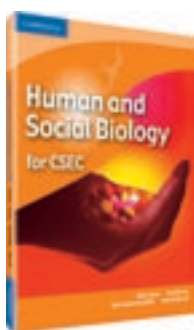

2nd Edition

June Mitchelmore, John Phillips, John Steward

This full-colour edition completely covers the Caribbean Examinations Council's CSEC® syllabus in Integrated Science (single award) – both Basic and General Proficiency objectives. The carefully controlled language level makes this textbook accessible to a wide ability range. Features include: a selection of CSEC®-style questions, guidance on developing the skills needed for school-based assessment and examples with specific relevance to the Caribbean.

**Paperback with CD-ROM**

978-0-521-01339-0 GBP 12.50

## **Human and Social Biology for CSEC®**

Mary Jones, Geoff Jones, Barrington Radcliffe, Melcita Bovell

This exciting and accessible full-colour book supports students following the Human and Social Biology syllabus for CSEC®. Features include: an appealing design that focuses on presenting concepts clearly, content that will appeal to students who need a simple presentation of material, and questions throughout the course to reinforce learning of new concepts.

## Revision Guides for CSEC® Sciences

**Biology:** Roland Soper, Eugenie Williams, Cheryl-Anne Gayle

**Chemistry:** Compton Mahase, Mark Morris

**Physics:** Peter Whiteley, Haydn Bassarath

These revision guides have been written to help students achieve a sound understanding of the main sciences examined by CSEC®. Each text presents all the information relevant to the particular CSEC® syllabus in a clear, concise way, to help students with revision. Many clear and fully labelled illustrations are provided as an additional aid to understanding and revision.

# Science / Information Technology

SUITABLE FOR CSEC®

## Science Support

Teacher Book and CD-ROM  
978-0-521-71971-1

GBP 75.00

**Helen Norris, Diane Fellowes-Freeman**

An exciting book and CD-ROM offering support materials and in-depth guidance on teaching science to low-ability students in secondary schools.

- The CD-ROM contains an interactive PDF linked to a bank of resources, including a set of simple worksheets in PDF and customisable Word formats.
- The Teacher Book guides you unit-by-unit through the resources contained on the CD-ROM. Suggestions for the teaching of practicals are included.

## Information Technology for CSEC®

**2nd Edition**

Paperback with CD-ROM  
978-0-521-69700-2 GBP 14.00

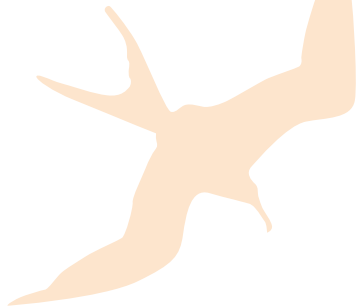

**Kelvin Skeete, Kyle Skeete**

Written by a highly experienced IT lecturer and consultant, *Information Technology for CSEC®* covers the syllabus for CSEC® Information Technology - Technical Proficiency. In addition to covering Information Technology theory (including programming), it teaches students essential practical skills using Microsoft® Word, Microsoft Excel and Microsoft Access.

This full-colour second edition includes:

- updates for Microsoft® Office XP and 2003 and solutions for CXC® programming questions from 2001 to 2006
- a new fifth section, showing how to integrate word-processing, spreadsheet and database documents
- a CD containing the files used in the exercises
- exercises at the end of the each chapter allowing students to practise the newly learned concepts and assess their knowledge
- full-colour screen-shots and diagrams to illustrate the various concepts.

# Mathematics

SUITABLE FOR CAPE®

## Advanced Level Mathematics

Steve Dobbs, Jane Miller, Hugh Neill, Douglas Quadling

A range of textbooks developed to match the requirements of the Cambridge AS and A Level Mathematics syllabuses. The syllabus content is arranged in chapters to provide a viable teaching course.

The books contain plenty of exercises, as well as revision exercises and practice exam papers – all written by experienced examiners. These textbooks are also highly suitable for use with other A Level Mathematics syllabuses.

# Accounting

## Accounting for CAPE®

**Paperback**

978-0-521-70116-7 GBP 19.95

**Harold Randall, Lystra Stephens-James, Cecelia Lamorell,  
Lennox Francis, Dennis Noel**

Accounting for CAPE® has been developed by experienced CAPE® examiners to meet the requirements of the CAPE® Accounting syllabus. Both theory and practice are covered, helping students to develop the relevant computational, problem-solving and accounting skills.

- A focus of the course is preparing students for the CAPE® examinations by providing examination hints, and multiple-choice questions at the end of each chapter.

**SUITABLE FOR CAPE®**

## AS and A Level Accounting

**Paperback**

978-0-521-53993-7 GBP 24.25

**Harold Randall**

Meets the requirements and endorsed for the Cambridge syllabus for AS and A Level. Suitable for one-year AS Level courses and for two-year A Level courses, *AS and A Level Accounting* helps to develop the required computational, accounting, problem-solving and written skills. Theoretical and practical aspects of all topics are covered, with teaching points being illustrated by fully worked examples and exercises to test students' understanding.

- Grid to distinguish between AS and A Level topics.
- Multiple-choice questions at the end of each chapter.

# Economics

## Economics for CSEC®

Robert Greenwood, Terry Cook, Karen Radcliffe, Dave Ramsingh, Yvonne Harvey

Written specifically for the CSEC® Economics syllabus, *Economics for CSEC®* comes with a free CD containing multiple-choice questions. Developed by experienced authors and Economics examiners, the book provides careful and thorough coverage of the syllabus, with particular emphasis on preparing for the examination. A key feature of the textbook is the School-Based Assessment component.

**Paperback with CD-ROM**  
978-0-521-70117-4 GBP 15.75

## Economics for CAPE®

Colin Bamford, Narissa Mohammed

Specially developed to meet the requirements of the CAPE® Economics syllabus. Written by experienced teachers and lecturers with senior examining roles, the course aims to equip students to explain economic phenomena with particular reference to Caribbean countries. Self-assessment tasks in each chapter and specimen examination papers are provided, with answers included as an appendix.

**Paperback**  
978-0-521-70141-9 GBP 19.95

**SUITABLE FOR CAPE®**

## NEW! AS and A Level Economics

2nd Edition

Colin Bamford, Susan Grant

Matches the requirements of the 2010 Cambridge syllabus in Economics. The book is divided into chapters corresponding to the Cambridge syllabus headings, with A Level material clearly highlighted in each chapter. As well as fully supporting the syllabus, the book equips students with the skills needed to succeed in the examinations, and describes how these skills and concepts will be examined by CIE.

**Coursebook with CD-ROM**  
978-0-521-12665-6 GBP 19.95

**Teacher's CD-ROM**  
978-0-521-12664-9 GBP 43.95

# Business Studies

## Management of Business for CAPE®

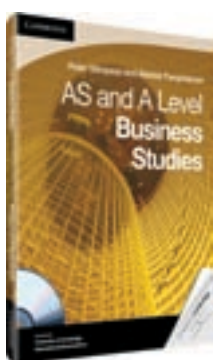

**Unit 1**  
978-0-521-69699-9 GBP 19.95

**Unit 2**  
978-0-521-71385-6 GBP 19.95

**Peter Stimpson, Kathleen Singh**

Developed to match the requirements of the CAPE® Management of Business syllabus with full coverage of the CAPE® syllabus. The content has a clear focus on the Caribbean economic and business environment.

- A distinctive feature is the provision of examination-type questions at the end of each major section.
- The questions have suggested times for the student to answer the question, giving practice in how to allocate time for the final examination.

**SUITABLE FOR CAPE®**

## **NEW!** AS and A Level Business Studies

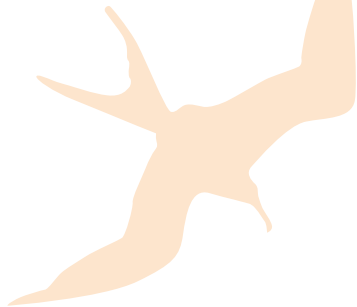

**Coursebook with CD-ROM**  
978-0-521-12656-4 GBP 23.95

**Teacher's CD-ROM**  
978-0-521-12693-9 GBP 43.95

**Peter Stimpson and Alastair Farquharson**

*AS and A Level Business Studies* matches the content of the 2010 Cambridge syllabus. Written in a clear and accessible style, the Coursebook and CD-ROM offer comprehensive coverage that guides students through content and methodology, including hints and tips, key definitions and case studies. A Teacher's CD-ROM is also available, featuring answers to key activities in the Coursebook, as well as sample essay questions and further reading ideas.

# History

## Best-selling Caribbean titles

### Liberties Lost

Caribbean Indigenous Societies and Slave Systems

Hilary McD Beckles, Verene Shepherd

Written by two of the Caribbean's leading historians, this book covers the entire history syllabus offered by the CXC®, including the CAPE® syllabus in Caribbean/Atlantic history. It is of value to students and teachers of the Cambridge A Level syllabus on the post-emancipation history of the Caribbean, to college/university students participating in foundation courses in Caribbean history, as well as to the general reader. Topics include: indigenous societies, European settlement and rivalry; the transatlantic trade in enslaved Africans and sugar and slavery.

**Paperback**

978-0-521-43544-4 GBP 8.95

### Freedoms Won

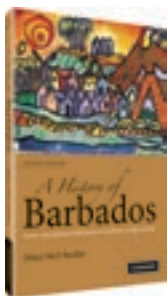

Emancipations, Ethnicities and Nationhood

Hilary McD Beckles, Verene Shepherd

Topics covered in *Freedoms Won* include: the aftermath of emancipation; African-Caribbean peasantry; Asian arrival in the Caribbean; social and political experiences of the working classes in the immediate post-slavery period; the Caribbean economy; US intervention and imperialist tendencies from the 18th century; the Labour Movement in the Caribbean in the 20th century; the social life and culture of the Caribbean people and social protest; decolonisation and nationhood.

**Paperback**

978-0-521-43545-1 GBP 9.50

### A History of Barbados

Second Edition

Hilary McD Beckles

The text reflects the considerable number of writings recently published in Barbados. It presents new insights and analyses key events in a lucid and provocative style which appeals to all those who have an interest in the island's past and present. Hilary Beckles examines how the influences of the Amerindians, European colonisation, the sugar industry, the African slave trade, emancipation, the civil rights movement, independence in 1966 and nationalism have shaped contemporary Barbados.

**Paperback**

978-0-521-67849-0 GBP 16.00

# History

SUITABLE FOR CAPE®

## The European Dictatorships

Hitler, Stalin, Mussolini

Allan Todd

This book is one of the theme texts in the *Cambridge Perspectives in History* series. The author provides a lucid and succinct account of the rise to power of Hitler, Mussolini and Stalin, and assesses the impact that they had on the states they governed.

**Paperback**

978-0-521-77605-9    GBP 8.50

SUITABLE FOR CAPE®

## Civil Rights in America

1865–1980

Ron Field

*Civil Rights in America* is one of the theme books in the *Cambridge Perspectives in History* series. Ron Field provides a comprehensive survey of the history of civil rights in America. The book is illustrated and includes primary sources.

**Paperback**

978-0-521-00050-5    GBP 8.50

## African Peoples of the Americas

Ron Field

Illustrated in full colour, *African Peoples of the Americas* enables students to develop historical knowledge, skills and understanding. The book provides an accessible introduction to the following themes: The African Past; The Fight for Freedom 1699–1865 and The Struggle for Equality 1865–1920.

**Paperback**

978-0-521-45911-2    GBP 7.50

# Thinking Skills / Sociology

## Thinking Skills

John Butterworth, Geoff Thwaites

This book is divided into two parts, Critical Thinking and Problem Solving. It provides opportunities for students to analyse and evaluate arguments, analyse numerical and graphical information, and develop a range of skills including data handling, logic and reasoning. Its main features include: a summary of key concepts at the end of each unit; end-of-unit assignments; answers to problems; suitable for Cambridge AS and A Level syllabuses and other courses containing Critical Thinking.

**Paperback**  
978-0-521-52149-9 GBP 12.50

## Critical Thinking – An Introduction

Alec Fisher

This book aims to teach Critical Thinking skills – the ability to interpret, analyse and evaluate ideas and arguments. Contains stimulus material on topical issues, including thinking maps, and over 200 questions for students to answer. Topics include argument analysis, clarifying terms and interpreting ideas, skilful decision making and value judgements, and applying Critical Thinking to different subjects.

**Paperback**  
978-0-521-00984-3 GBP 9.50

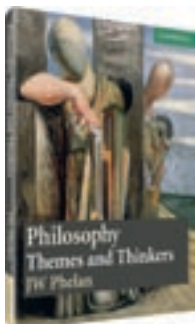

## AS Level and A Level Sociology

Terry Burgess, Mike Kirby, Andy Barnard

*AS Level and A Level Sociology* matches the requirements of the Cambridge syllabuses for AS and A Level Sociology. The book presents the main theoretical perspectives and encourages the development of a searching and critical approach to sociology. Written in a lively and accessible style, this textbook is also an introduction to the subject for undergraduates and for people on vocational courses in nursing, social work, education and management training.

**Paperback**  
978-0-521-53214-3 GBP 22.50

# Philosophy

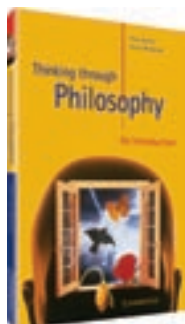

## Philosophy: Themes and Thinkers

JW Phelan

*Philosophy: Themes and Thinkers* covers key philosophical concepts, themes and philosophy texts. As well as gaining a thorough grounding in these areas, students will develop the ability to analyse and assess philosophical writings, form their own judgements and contribute effectively to the process of debate. Main features include: learning objectives at the start of each chapter; profile of notable philosophers; stimulating activities throughout; revision questions; definitions of key terms in the margin.

**Paperback**

978-0-521-53742-1 GBP 17.00

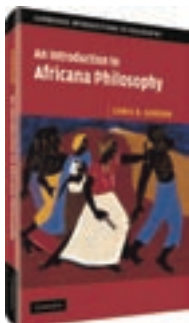

## Thinking through Philosophy: An Introduction

Chris Horner, Emrys Westacott

The authors present a clear and accessible introduction to some of the central issues of philosophy by challenging and stimulating the reader to think beyond the conventional answers to fundamental questions. *Thinking through Philosophy* provides an accessible introduction to central themes in philosophy and follows a questioning approach to philosophy. Each chapter includes inset boxes providing links to classic philosophy texts on the issues discussed. In addition, the book relates to the adventure of philosophy to some of the key principles of critical thinking.

**Paperback**

978-0-521-62657-6 GBP 12.95

## An Introduction to Africana Philosophy

Lewis R. Gordon

This book – suitable for CAPE® and undergraduate students – offers the first comprehensive treatment of Africana philosophy. Covering Africa, Europe, North and South America, and the Caribbean, it explores the challenges posed to our understanding of knowledge and freedom today, and the response to them which can be found within Africana philosophy.

**Paperback**

978-0-521-67546-8 GBP 16.75

**Hardback**

978-0-521-85885-4 GBP 42.00

# Music

## Adventures in Music

<b>Book 1</b> 978-0-521-56937-8 GBP 8.25	<b>Book 3</b> 978-0-521-56941-5 GBP 8.25
<b>Cassette 1</b> 978-0-521-56943-9 GBP 20.95	<b>Cassette 3</b> 978-0-521-56940-8 GBP 20.95

<b>Cassette 2</b> 978-0-521-56942-2 GBP 20.95	<b>Cassette 4</b> 978-0-521-56938-5 GBP 20.95

This series introduces key ideas and a wide range of music for listening and appraising. Illustrations and stories bring the music to life. The series showcases music from many composers from the 18th century to the present day. Each piece is based on an adventure. Each book includes:

- helpful illustrations and imaginative stories
- brief details and portraits of composers
- follow-up activities.

**SUITABLE FOR CSEC®**

## Fortissimo!

<b>Student's Book</b> 978-0-521-56923-1 GBP 16.75
<b>Teacher's Resource Book</b> 978-0-521-56924-8 GBP 51.50
<b>Audio CDs</b> 978-0-521-56925-5 GBP 94.50

### Roy Bennett

*Fortissimo!* is a complete music course which gives you all the support you need to teach music to 14–16-year-olds. The material covers a wide variety of music from the 13th century to the 1990s, and offers the chance to study musical styles and instruments from a variety of cultures.

- Structures and concepts are explored while offering opportunities to use and develop practical and aural skills.
- Double-page colour spreads display fascinating visual stimulus material to spark original ideas for composing and improvising.
- The Student's Book is accompanied by a Teacher's Resource Book and Audio CDs.

# Music

## Music Worldwide

Elizabeth Sharma

*Music Worldwide* investigates both folk and traditional music from various parts of the non-western world. The book describes the predominant instruments in each chosen culture and explores the main musical ingredients of different styles.

**Paperback**

978-0-521-37622-8    GBP 8.50

## The Cambridge Guide to African and Caribbean Theatre

**Paperback**  
978-0-521-61207-4

GBP 16.75

**Martin Banham, Errol Hill, George Woodyard**

This book is an exploration of the rich diversity of theatrical traditions in sub-Saharan Africa and the Caribbean. Including a rich collection of photographs, the book traces the ancient and complex roots of African theatre still evident in community festivals and religious rituals through the centuries of colonial domination, to the African diaspora and its manifestation in Caribbean theatre. Drawing upon the parent *Cambridge Guide to Theatre*, material is updated and refocused to offer a specific view of traditional and contemporary theatre activity in over 40 countries.

## The Cambridge Encyclopedia of the English Language

**Second Edition**

**Paperback**  
978-0-521-53033-0

GBP 17.95

**David Crystal**

*The Cambridge Encyclopedia of the English Language* is one of the publishing phenomena of recent times.

This second edition now presents an overhaul of the subject for a new generation of language lovers and of teachers, students and professional English users concerned with their own linguistic legacy. The length of the book has been increased and there are 44 new illustrations, extensive new material on World English and Internet English, a complete updating of statistics, further reading suggestions, and other references.
